Part #:	CU-07-C-178/208 CU-C-849H-STAGE2	Engine:	5.9L-6.7L Cummins (FGTH) 6.0L-6.4L Powerstroke
Date:	05/01/2020	Part:	HD Camshaft / Flycut Piston Upgrade

Heavy Duty Camshaft / Flycut Piston Upgrade

**5.9L 12V-24V & 6.7L 24V
Hamilton Camshaft &
Flycut Piston**

**6.0L - 6.4L Colt Camshaft &
Flycut Piston**

These cams are designed to take advantage of the lost opportunities the factories cams didn't seize.

- Smoother Idle.
- Quicker Spool up.
- Lower EGT.
- Better torque and horsepower.
- Better fuel economy.
- New Camshaft. Not a regrind.

Flycut valve reliefs to put piston to valve clearance specifications back to OE standards.
Great durability upgrade for towing and heavy duty use.
